

**Super Slim & Smallest**

The world's slimmest & smallest dual polarization antenna

**Intelligent Performance**

Support Ku-band channels reception of major satellites

**Intense Signal Reception**

Small size & extremely slim but high performance

**Featherlight**

Surprisingly lighter than conventional dish

*Dual Linear Polarization* **SELSAT**<sup>TM</sup>  
**Flat Satellite Antenna**  
**SELSAT-H30D** Series
